For over 80 years Hurricane has provided a range of high quality, hard wearing products made to last in New Zealand's harsh environment.

STAYTIGHT DEER FENCE

Hurricane 13-190-30 and 13-190-15 Staytight deer and fawn fence takes all the existing features and benefits of the traditional deer fence product and adds more value for the farmer.

- Zinc aluminium coating lasts up to three times longer than standard galvanised wire
- Two specifications for enhanced deer and fawn stock control
- Proven quality 2.5 HT line wires
- Proven strength in Staytight knot
- Tested to meet NZ standards
- Industry accepted 13 line specification proven in all terrains gives maximum stock control
- New Zealand made
