Size	Minimum (mm)	Maximum (mm)
Coil Thickness	0.7	3.0
Cut Length	250	7,000 *
Width	500	1,524
Polishing	Option of 80, 100, 120 and 180 grit polishing finish. PE film can be applied after polishing	

*sheet lengths subject to material thickness

Minimum order quantity may apply

CUT TO LENGTH Now Available

With the latest addition of aluminium coil and the help of our non-ferrous metals line, Steel & Tube can now cut aluminium sheets to length, from 250 mm, all the way to 7 meters long.

Once cut to your desired length, you then have the option of four polishing finishes, and the choice between polyurethane protective film or paper interleaving.

We're excited about the capabilities this unlocks for New Zealand businesses, large, or small. Contact us and for a quote on your aluminium requirements.

Do you need something specific?

Steel & Tube will continue to support New Zealand business as we expand our Aluminium range and services.

If you have specific requirements, please get in touch today: 0800 478 335

NATIONWIDE STEEL SOLUTIONS

Steel & Tube offers a comprehensive range of steel and allied products through a nationwide product distribution and processing network, so no matter where you are in the country we can deliver product to you.

As experts in our field, we pride ourselves in being able to offer a consistent end-to-end customer experience, advising, sourcing and supplying customer with their steel requirements. And underlying everything we do, is our continued commitment to quality.
